 - 2.2.1. what units the student has enrolled in
 - 2.2.2. the amount of VET Student Loans debt incurred for each unit

- 8. Where a student withdraws from a VET unit of study after the relevant census date, any refund of VET tuition fees is at the discretion of the College.**
- 9. Students may apply to SCEI to have their FEE-HELP balance re-credited (and thus their VET Student Loans debt remitted) in special circumstances.**
- 10. SCEI must refund the paid tuition fees if it is satisfied that special circumstances apply to the student that are:**
 - 10.1. beyond the student's control;
 - 10.2. do not make their full impact on the student until, on or after, the census date; and
 - 10.3. Make it impracticable for the student to complete the requirements for the unit during the period which the student undertook, or was to undertake, the unit.
- 11. This situation must be unusual, uncommon or abnormal.**
- 12. All applications must include independent supporting documentation. All documentation must include sufficient information to support the claims made.**
- 13. Each application will be examined and determined on its merits. Southern Cross Education Institute will consider the student's claims, together with any independent supporting documentary evidence that substantiates these claims**

PROCEDURE

1. Applying for Refund

- 1.1. The Student must formally withdraw from a VET unit of study or VET Student Loans enabled qualification and submit a FOR29 Student Request Form available from the Reception at each Southern Cross Education Institute campus. SCEI shall confirm the withdrawal by giving notice to the student in writing (or signed copy of the FOR29) stating the date at which the withdrawal has taken effect; and advise the student that the withdrawal process will take up to 28 days.
- 1.2. The written application must also include supporting documentation that demonstrates that the requirements for special circumstances have been met if applicable.
- 1.3. The Administration Manager will consider and process the application for Tuition Fee Refund within 28 days of the date of the withdrawal being submitted by the student and request any further clarification from the delivery area and student if necessary. If the application for refund occurs outside the VET unit of study census date, the Administration Manager may either reject the withdrawal or seek further documentation from the student to support their application.

- 1.4. The Administration Manager will, in consultation with the Training Manager, determine if a full or partial refund will be approved under those specific circumstances.
- 1.5. If the application is successful, SCEI will arrange for an appropriate refund of paid tuition fees. If the application is unsuccessful, the student must be advised of their opportunity to apply for a 'Review of a Decision'.
- 1.6. Student Support shall advise the student of the outcome of the application within 28 days from the date of withdrawal submission stating the reasons for the decision

2. Review of Decision:

- 2.1. If a student is not satisfied with the decision made by the Administration Manager in relation to refunds, they may request a review of the decision.
- 2.2. The review shall be carried out by the Review Officer who is the Director and is senior to the original decision maker.
- 2.3. Any such request must be submitted to the Review Officer in writing and:
 - 2.3.1. must be lodged within 28 days of receiving notice of the original decision, unless the Review Officer allows a longer period; and
 - 2.3.2. must specify the reasons for making the request and include any supporting documentation.
- 2.4. The Review Officer shall acknowledge receipt of an application for a review of the refusal to refund tuition fees paid for a VET Student Loans enabled course or unit of study in writing. The Review Officer shall:
 - 2.4.1. seek all relevant information from the person who made the original decision; and
 - 2.4.2. review the case within 2 weeks and advise the student of the decision in writing giving the reasons for the reviewer's decision.
- 2.5. The Review Officer shall:
 - 2.5.1. Confirm the decision;
 - 2.5.2. Vary the decision; or
 - 2.5.3. Set the decision aside and substitute a new decision.
